SUMMER GOODS.

## THE STOCK OF DRY GOODS

Here is still very attractive, both as regards styles and prices. We are showing one of the best assortments in Eastern Canada, and prices are as low and lower, than Departmental Humbug. Why citizens of Napanee send out of town for their Dry Goods we cannot tell; it is not because goods are high-priced in Napanee.

## Coupon Books Have Been Sent

To every house here, and the purchaser of every 10c worth of goods is entitled to a coupon. When their book is filled you are entitled to \$3.00 cash. Don't believe the yarns some of our competitors have been telling, that our prices have been advanced to meet this expense, because there is not a word of truth in it; they are simply guessing. We mind our own business here, and devote our attention to giving our customers the best value possible, and at the same time best attention.

TERMS CASH. ONE PRICE ONLY.

## WEAK, NERVOUS WOMEN

Suffering from palpitation of the heart, dropsy, hysteria, rheumatism, etc., can be effectively treated.

### A Mississauga Lady Tells About Her Cure

"I am now whatever for many women to be the subject of faint spells, fits, convulsions, hysterics, or any of those health destroying diseases peculiar to her sex. Miss Miller's pills regulate the heart action and calm it, strengthen the nerves, enrich the blood, and give me strength from which so many women suffer."

Mrs. Alex. Miller, Mississauga, Ont., writes an account of her cure as follows:

"I have had fits ever since my marriage, trained nurse, is prepared to take care of nursing. Apply to Mrs. Miller, 100 Queen Street, Toronto.

—Mr. Fred. Richardson, the well-known Bellistic artist, is appointed manager in charge of the church of St. Vincent De Paul, Dundas.

—It has been decided to restore the provision appropriate (\$2,000) for a committee to adjust the difference between the United and Canadian Societies.

—Miss Mahel Mills, while playing on the rachet Bridge on Friday evening last, fell into the water. Before I started using my life preserver, I told her to give myself up to die, as I thought I would drown. She said, "Don't be afraid, I am taking the risks, do my very best." I got her out of the water, and if she was some-what bruised, she was otherwise all right.

—Milburn's Heart and Nerve Pills are sold by Dr. W. H. Wilson & Co., Toronto, Ont.

—Dr. John T. Hill, of Napanee, has sold two cases of his pills to Mr. E. H. Phillips, who had two cows killed by lightning during the storm.

How Admiral Cervera Lost on a Desperate Chance.

### ADMIRAL CERVERA A PRISONER.

The Town and Distressed Fleet Run Ashore to Avoid Fighting or Capture.

Frightful Loss of Life—Live Prisoners of War Captured

—Only One American Killed.

Killed.

Washington, July 5.—The Secretary of the Navy, Mr. Frank L. Evans, has just received a cablegram from the admiral commanding the Spanish fleet, reporting the destruction of the whole of Cervera's force.

Now that the Spanish fleet is scattered, it is

now a question of whether the admiral

will be held responsible for the

loss of his ships.

Admiral Cervera was held

in the harbor of Santiago de Cuba for six weeks by the British, French, and Spanish.

Admiral Cervera's fleet, consisting

of 12 ironclads, 4 monitors,

10 gunboats, 2 torpedo boats

and 10 small steamers, had been

scattered by the British, French,

and Spanish admirals.

Admiral Cervera was a prisoner of war on the British ship "Dreadnaught" and 1,000 other Spanish sailors, all

of whom were held as prisoners

of war by the British.

Admiral Cervera made a gallant dash for the harbor of Santiago de Cuba, but was captured by the British, French, and Spanish admirals.
